Issue Date	06 October 2026
Procuring Organization	[Name of Department / Organization]
Item	Protective Helmets
Quantity	[To be specified]
Delivery Location	[To be specified]
Bid Submission Deadline	[To be specified]

Draft Template: Replace bracketed fields and insert the exact applicable helmet standard(s), procurement rules, quantities, dates, and official clauses before publication.

1. INVITATION FOR BIDS

The Procuring Organization invites bids from eligible manufacturers, authorized suppliers, or dealers for the supply and delivery of protective helmets in accordance with this tender document.

2. SCOPE OF PROCUREMENT

- Supply of new protective helmets in the required quantity and sizes.
- Packaging, transportation, unloading, and delivery to the designated location.
- Submission of product literature, test/certification documents, warranty details, and technical compliance evidence.
- Replacement of damaged, defective, or non-conforming helmets.

3. BASIC TENDER INFORMATION

Particular	Requirement
Tender Type	Open / Limited / E-Procurement, as applicable
Bid Validity	Minimum 90 days, unless otherwise specified
Delivery Period	[30 / 45 / 60] days from purchase order
Inspection	Purchaser / authorized inspection agency
Payment	As per purchase order / contract
Warranty	[12] months, unless otherwise specified
Price Basis	Delivered at destination, including applicable costs/taxes as specified

4. TECHNICAL SPECIFICATIONS

Parameter	Required Specification
Helmet Type	Protective helmet suitable for the intended application specified by the purchaser
Shell	Impact-resistant outer shell with durable construction
Inner Protection	Energy-absorbing protective lining suitable for the intended application
Retention System	Adjustable chin/retention strap with secure fastening
Fit	Adjustable size/fit mechanism where applicable
Ventilation	Adequate ventilation where required
Visibility	Reflective elements where required by the purchaser
Marking	Manufacturer, model, size, batch/lot identification and applicable compliance marking as required
Condition	New, unused, undamaged and free from visible defects
Documentation	Datasheet, test reports/certificates, warranty and compliance documents as applicable

Applicable Standard: The final tender shall state the exact mandatory standard(s) applicable to the helmet type and intended use. Bidders shall provide valid evidence of compliance.

5. TECHNICAL COMPLIANCE SUBMISSION

Sl.	Requirement	Evidence / Response
1	Manufacturer / Brand / Model	To be provided

Sl.	Requirement	Evidence / Response
2	Product technical datasheet	Attach
3	Applicable standard compliance	Certificate / test report
4	Size and fit details	Specify
5	Material / construction details	Specify
6	Warranty	Specify period and terms
7	Batch / traceability	Specify
8	Product catalogue / photographs	Attach

6. ELIGIBILITY AND QUALIFICATION

- Legally registered manufacturer, authorized supplier, or dealer as permitted by the purchaser.
- Capacity to supply the required quantity within the specified delivery period.
- Submission of applicable product compliance/test certificates.
- Disclosure of manufacturer, brand, model, country of origin, and warranty.
- No materially false, misleading, or unverifiable documents.

7. DOCUMENTS TO BE SUBMITTED

Document	Requirement
Signed technical bid / compliance statement	Mandatory
Company registration / statutory documents	As applicable
Manufacturer authorization	If bidder is dealer/reseller
Product datasheet / catalogue	Mandatory
Relevant test reports / certificates	Where applicable
Warranty declaration	Mandatory
Past supply experience	If required
Financial / tax documents	As required by procurement rules

8. INSPECTION AND ACCEPTANCE

- The purchaser may inspect supplies before or after delivery.
- Inspection may cover quantity, visual condition, dimensions/size, markings, packaging, documentation, and compliance evidence.
- Samples may be tested by an authorized/accredited laboratory where required.
- Non-conforming items may be rejected and replaced at the supplier's cost, subject to contract terms.

9. PACKAGING, MARKING AND DELIVERY

- Pack helmets to prevent damage during transportation, handling, and storage.
- Packages shall carry appropriate identification such as manufacturer/supplier, model, quantity, and batch/lot details.
- Deliver to the location specified in the purchase order.

10. WARRANTY AND AFTER-SALES SUPPORT

- Warranty shall be as stated in the final tender/purchase order.
- Defective or non-conforming units covered by warranty shall be repaired or replaced as per contract.
- Supplier shall provide contact details for warranty support.

11. COMMERCIAL BID FORMAT

Sl.	Description	Qty.	Unit Price	Taxes	Total
1	Protective Helmet – Model/Type: _____	[]	■ _____	■ _____	■ _____
2	Packaging / Delivery, if separately quoted		■ _____	■ _____	■ _____
	GRAND TOTAL				■ _____

12. PRICE AND PAYMENT

- Bidder shall clearly state price basis and applicable taxes/charges.
- Additional charges shall be payable only if expressly accepted in the contract.
- Payment shall be made against accepted supplies and documents according to contract terms.

13. DELAY / CONTRACTUAL REMEDIES

Delay-related deductions or other contractual remedies may apply where the supplier fails to deliver within the agreed period, subject to applicable procurement rules and contract conditions.

14. REJECTION / NON-CONFORMANCE

- Supplies may be rejected if they fail to meet approved specifications or are damaged, defective, counterfeit, or unsupported by required evidence.
- Rejected goods shall be replaced within the period specified by the purchaser.

15. BID EVALUATION

- Preliminary examination of completeness and eligibility.
- Technical evaluation against specified requirements.
- Verification of certificates, test reports, and supporting evidence.
- Commercial evaluation of technically responsive bids.
- Award in accordance with the applicable procurement procedure.

16. BIDDER DECLARATION

We certify that the information and documents submitted with this bid are true and complete to the best of our knowledge. We confirm that the offered products comply with the tender requirements, subject to any deviations explicitly declared in our technical bid.

Bidder Name	_____
Authorized Signatory	_____
Designation	_____
Company Seal	_____
Date	_____
Place	_____

17. PURCHASER DETAILS

Organization	[Name of Procuring Organization]
Department	[Department / Division]
Address	[Full Address]
Contact Person	[Name / Designation]
Email	[Official Email]
Telephone	[Official Contact Number]
